

## International Tax Services

Daszkal Bolton LLP is a certified public accounting firm that provides international tax planning and compliance solutions. Companies, joint ventures and individuals across South Florida and the nation turn to us for assistance managing their international tax liabilities. Whether you are seeking assistance with inbound or outbound tax issues, we have a variety of solutions designed to address your specific needs.

Our International Tax Team has extensive experience helping individuals, domestic and multinational companies navigate the changing international tax landscape. Daszkal Bolton LLP's international tax team works with corporations to create tax efficient structures, address compliance issues and provides comprehensive tax planning services to position you in the best possible tax position globally. We also assist with expatriate programs to ensure executives are provided with needed advice on managing their U.S. obligations.
